

Update your MAC address from your selfcare account

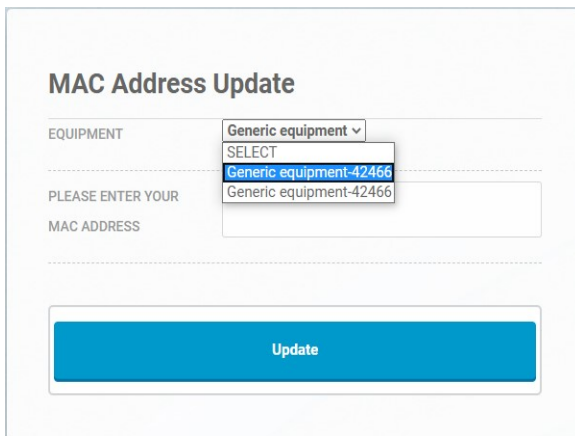

The image shows the Selfcare login page. At the top, it says "Selfcare" and "Login With Your Link3 Account". Below this, there are two input fields: "LINK3 USER ID" with the text "L3RXXX" and "PASSWORD" with asterisks. There are two checkboxes: "Keep me logged in" (checked) and "Forgot Password". A large blue "SIGN IN" button is at the bottom. The Link3 logo and "All Rights Reserved by Link3 Technologies Ltd." are at the very bottom.

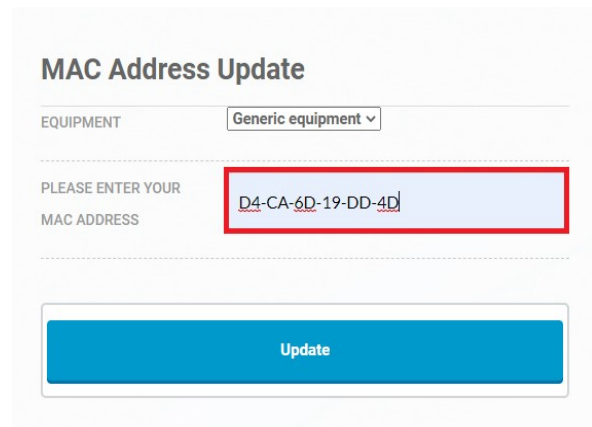

The image shows the Link3 Selfcare dashboard. At the top, it says "Link3 Selfcare" and has a "BACK" button. Below this, there are several menu items: "DASHBOARD", "MY ACCOUNT" (with a dropdown arrow), "PROFILE UPDATE", "MY ACCOUNT", and "MAC UPDATE" (highlighted with a red box).

1. Login to your account with Link3 Selfcare Apps or Browse www.selfcare.link3.net , Login with your self-care user name & password

2. Click on **MAC UPDATE**: Mac Update option available in **MY ACCOUNT** tab

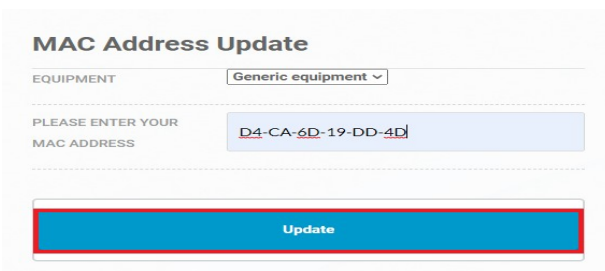

The image shows the "MAC Address Update" form. It has a dropdown menu for "EQUIPMENT" with "Generic equipment" selected. Below this, there is a text input field for "PLEASE ENTER YOUR MAC ADDRESS" with "Generic equipment-42466" entered. A blue "Update" button is at the bottom.

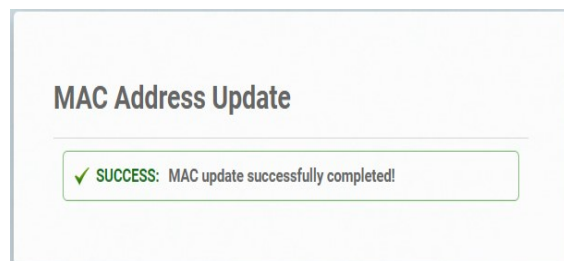

The image shows the "MAC Address Update" form. It has a dropdown menu for "EQUIPMENT" with "Generic equipment" selected. Below this, there is a text input field for "PLEASE ENTER YOUR MAC ADDRESS" with "D4-CA-6D-19-DD-4D" entered. A blue "Update" button is at the bottom.

3. Select Generic Equipment from **EQUIPMENT** dropdown box

4. Enter your new MAC Address on Mentioned Box (**PLEASE ENTER YOUR MAC ADDRESS**)

The image shows the "MAC Address Update" form. It has a dropdown menu for "EQUIPMENT" with "Generic equipment" selected. Below this, there is a text input field for "PLEASE ENTER YOUR MAC ADDRESS" with "D4-CA-6D-19-DD-4D" entered. A blue "Update" button is at the bottom.
